If there is a problem with sending a log, contact **scwc@yu1srs.org.rs**

All entries must be sent NO LATER than March 25th. Logs sent after this deadline will be used as check logs. While sending log, be sure to fill all required text boxes. Electronic submission implies a signed declaration that all contest rules and regulations for amateur radio in the country of operation have been observed and all contest committee decisions are final.

Results: Claimed scores will be published right after log submission ends, unofficial scores will be posted no later than two weeks from end of submission logs and final results no later than six weeks after the contest.

Awards: Plaques will be awarded to top-scorers for all categories. All other participants will receive certificates in electronic form, for the first 5 places with an indication for the won place and the others for participation. Awards are courtesy of ScwC, with some help from the sponsors. Awards will be presented to winners at a special event hosted by Amateur Radio Association of Serbia.

Disqualification: Any station violating the contest rules (deliberate interference, QSOs made outside legal frequency ranges or out of contest time) or ham spirit - will be disqualified.
